

# **A Library is a Window to the World**

Rollinsford Public Library Trustee

Window Pane Donation

Campaign

The RPL Board of Trustees would like to offer you the opportunity to dedicate a Window Pane in the library. For a minimum donation of \$100 a Window Pane on the interior glass wall of the library will be permanently inscribed with the name of your choice. We suggest donations be made in memory of a loved one, or as a gift to honor a friend or family member. They make a great Mother's Day or Father's Day present or a birthday gift for the book lover in your life. The Window Panes reflect the spirit of dedication and support members of the community have for our library.

In addition, we have a limited number of large exterior Window Panes available for inscription with a donation of \$250. Won't you consider making this generous, tax deductible donation?
